CURRICULUM VITAE

Pinki Kumari Prasad, MD, MPH
Assistant Professor of Pediatrics
Business Address: Louisiana State University Health Sciences Center
c/o Children's Hospital of New Orleans
200 Henry Clay Avenue
New Orleans, LA 70118
Business Phone: 504-896-9740
Business Email: pprasa@lsuhsc.edu

Education:

Undergraduate

09/92 – 06/96 Bachelor in Science, Biology with minor in English, University of California, Riverside, Riverside, CA

Graduate/Medical

01/97 – 11/99 Basic Medical Science, American University of Caribbean, St. Maarten, Netherlands Antilles

11/99 – 09/00 Medical Doctorate, Honors, University of Sint Eustatius, St. Eustatius, Netherlands Antilles

Internship/Residency

07/01 – 07/02 Internship in Pediatrics, Southern Illinois University, Springfield, IL

07/02 – 07/04 Residency in Pediatrics, Southern Illinois University, Springfield, IL

Post Doctoral Fellowship

07/05 – 07/09 Clinical Fellow, Pediatric Hematology/Oncology, Vanderbilt University Medical Center Nashville, TN

Other

07/06 – 05/08 Masters in Public Health, Cum Laude, Vanderbilt University, Nashville, TN

Certification:

2001 Educational Commission for Foreign Medical Graduates (ECFMG)
2004 Board Certified General Pediatrics, American Board of Pediatrics
2011 Board Certified Pediatric Hematology/Oncology, American Board of Pediatrics
2014 Recertification, General Pediatrics, American Board of Pediatrics

Licensure:

2004 – 2011 Professional License in Illinois
2005 – 2011 Training License in Tennessee
2011 – present Professional License in Louisiana (MD204368)

Academic, Professional, and Research Appointments:

07/06 – 07/09 Lecturer, Meharry Medical School, Nashville, TN

07/08 – 03/11 Lecturer, Vanderbilt University Medical School, Nashville, TN

07/09 – 07/10 Clinical Instructor in Pediatrics, Vanderbilt University Medical Center Nashville, TN

07/10 – 04/11 Research Instructor in Pediatrics, Vanderbilt University Medical Center Nashville, TN

04/11 – present Assistant Professor of Clinical Pediatrics, Louisiana State University Health Sciences Center (LSUHSC), New Orleans, LA

01/17 – present Joint Appointment Assistant Professor of Epidemiology, School of Public Health, Louisiana State University Health Sciences Center (LSUHSC), New Orleans, LA

Professional Memberships:

2000 – present Member, American Medical Association – International Medical Graduate Section
2004 – present Fellow, American Academy of Pediatrics
2005 – present Member, American Society of Pediatric Hematology/Oncology
2005 – present Member, American Society of Clinical Oncology
2007 – present Fellow Member, Young Physicians of AAP
2007 – present Fellow Member, Pediatric Hematology/Oncology Section of AAP
2009 – present Full Member, Children's Oncology Group

2009 – present Member, Late Effects Ocular Task Force, Children's Oncology Group
2009 – present Member, Survivorship Group, Children's Oncology Group
2011 – present Member, Women in Medicine (LA)
2011 – present Member, AAP Louisiana Chapter
2011 – present Member, American Society of Hematology

2014 – present Member, Cancer Control and Supportive Care Group, Children's Oncology Group
2016 – present Member, Late Effects Bone Mineral Density/Metabolic Syndrome Task Force, Children's Oncology Group
2016 – present Member, International Guideline Harmonization Group for Otoxicity in Childhood Cancer Survivors
2016 – present Member, NCORP Diversity Liason for Children's Oncology Group

Awards and Honors:

2007 Hematology Oncology Workshop Attendee Award
2013 Best Junior Poster for LSU Health Sciences Center Research Day ($750)
2013 Best Junior Faculty Member Poster, Southern Society of Pediatric Research ($750)
2015 Top New Orleans Physician in Pediatric Hematology/Oncology
2015 Best Doctor in America ®, in Pediatric Hematology/Oncology
2016 Selected for Early Career Faculty Professional Development Seminar, American Association of Medical Colleges

TEACHING EXPERIENCE/RESPONSIBILITIES:

Fellowship:

01/15 – present Associate Program Director, Pediatric Hematology/Oncology Fellowship, LSUHSC/Children's Hospital of New Orleans, LA

Course Development

04/12 – present Director of Late Effects (Treatment after Cancer and Late Effects Clinic), LSU Health Sciences Center/Children's Hospital of New Orleans, LA

01/15 – present Core Curriculum Development for Pediatric Hematology/Oncology Fellowship – help develop competency specific curriculum for Pediatric Hematology/Oncology Fellows

07/15 – present Protocol Review for Pediatric Hematology/Oncology Fellowship – developed lectures and process to review current Children's Oncology Group protocols for teaching purposes

04/16 – present Core Curriculum Development for all Pediatric sub-specialty Fellowships – help develop competency specific curriculum for all pediatric subspecialty fellows, planned American Board of Pediatrics content specific lectures and helped schedule speakers

Creation of Enduring Teaching Materials

12/11 – present Outpatient Late Effects Clinic Visit Form – create and update forms to be used for late effects outpatient visits in compliance with medical record standards

2015 – present Electronic Inpatient Pediatric Hematology/Oncology Note – created and updated an electronic note to be used for inpatient visits in compliance with medical record standards

2015 – present Pre-printed Chemotherapy Orders – orders prepared following the Children's Oncology Group protocols to minimize chemotherapy orders. Orders are updated annually following national standards

Departmental/Interdisciplinary Teaching Conferences

2011 – present Late Effects in Pediatric Cancer Survivors
2011 – present Acute Lymphoblastic Leukemia
2011 – present Hodgkin and non-Hodgkin Lymphoma
2013 – present Acute Myeloid Leukemia

Academic Activities/Teaching Experience

04/11 – present Lecturer, Pediatric residents and medical students – variety of Pediatric Hematology/Oncology topics. Department of Pediatrics, LSU Health Sciences Center, New Orleans, LA

04/11 – present Lecturer, Fellowship Core Curriculum Conference for Pediatric Hematology/Oncology fellows' workshops, lectures, learning activities in numerous topics related to our subspecialty 93-4/month). Department of Pediatrics, LSU Health Sciences Center, New Orleans, LA

04/11 – present Mentor, Pediatric Hematology/Oncology fellows for clinical presentations, research and quality improvement projects.

Department of Pediatrics, LSU Health Sciences Center, New Orleans, LA

04/13 – present Clinical Preceptor, third year medical students observed history and physical requirement (3-4 students/year). Department of Pediatrics, LSU Health Sciences Center, New Orleans, LA

06/13 – present Clinical Research Mentor, Short-Term Summer Cancer Research Program, NCI, NIH and LSUSHC Stanley S. Scott Cancer Center, New Orleans, LA

2013 – present Preceptor, Pediatric Interest Group (PIG) – meeting with first and second year medical students to discuss career interests in pediatric hematology/oncology (1/year)

2013 – present Member; Clinical Competency Committee for Pediatric Residents – meeting and evaluating pediatric resident performance biannually

2014 – present Member, Scholarly Oversight Committee for Pediatric Hematology/Oncology Fellows – advising, meeting and evaluating research for pediatric hematology/oncology fellows; evaluations semi-annually

2015 – present Forum Leader, Louisiana State University Medical Students – meeting and leading forums regarding general pediatrics topics

2015 Participant, Pediatric Jeopardy Quiz Bowl, represented faculty versus residents during annual event. Department of Pediatrics, LSU Health Sciences Center/CHNOLA, New Orleans, LA

2016 – present Member; Core Curriculum Committee for Pediatric Fellows – meeting and developing core curriculum for fellows in all pediatric subspecialties. Planning lecture, aiding with scheduling lecturers and delivering lectures

Post-Doctoral or Post-Residency Fellows Trained

2011 – 2013 Dr. Jennifer Mullinax (Pediatric Hematology/Oncology Fellow)
2011 – 2014 Dr. Matthew Fletcher (Pediatric Hematology/Oncology Fellow)
2012 – 2014 Ian Landry (Masters in Public Health student)
2012 – 2015 Dr. Chittal Raulji (Pediatric Hematology/Oncology Fellow)
2012 – 2015 Dr. Dana Leblanc (Pediatric Hematology/Oncology Fellow)

2013 – present Dr. Hemant Menghani (Pediatric Hematology/Oncology Fellow)

Resident Mentorship

2013 – 2016 Dr. Justin Farge (Pediatric Resident)
2014 – present Dr. Sara Sussman (Pediatric Resident)

RESEARCH AND SCHOLARSHIP:

Grants:

Funded:

07/06 – 07/08 Principal Investigator (PI), K30 Grant, $30,000, MPH Tuition Coverage

06/07 – 06/10 Co-Investigator, PI: Kenneth Hande, MD, "Health Disparities in Pediatric Survivors of Bone Marrow Transplant" K12 NCI/NIH Physician Scientist Award, 5K12CA090925-07, $749,965

12/11 – 07/14 Principal Investigator, "Development of Treatment After Cancer and Late Effects Clinic," Hyundai Hope on Wheels Grant (Infrastructure Grant), $100,000

02/12 – 02/13 Principal Investigator, "Development of Treatment After Cancer and Late Effects Clinic," Tour de Lis Grant Infrastructure Grant, $25,000

10/12 – 10/13 Principal Investigator, "Development of Treatment After Cancer and Late Effects Clinic," Jeff Gordon Children's Foundation Grant, $25,000

12/16 – 12/17 Principal Investigator, "Development of Transition Clinic," St. Baldricks's Infrastructure Grant, $25,000

   a. Abstract and Poster presentation

3. **Prasad P**, Sun C.L., Baker SB, Francisco L, Forman S, Bhatia S, Shankar S. Health Care Utilization by Adult Hispanic Long Term Survivors of Hematopoietic Stem Cell Transplantation: Report from the Bone Marrow Transplant Survivor Study. Vanderbilt Medical Center Research Forum, June 2008, Nashville, TN
   a. Poster Presentation

4. Lovvorn H, Ayers D, Zhao Z, Hilmes M, **Prasad P**, Shinall Jr. MC, Berch B, Neblett III WW, O'Neill Jr J. Defining Hepatoblastoma Responsiveness to Induction Therapy as Measured by Tumor Volume and Serum Alpha-Fetoprotein Kinetics. APSA, March 2009
   a. Oral Presentation
   b. Poster Presentation

5. **Prasad P**, Whitlock J. Renal Dysfunction in Children Receiving Methotrexate without Leucovorin during Interim Maintenance Therapy for Acute Lymphoblastic Leukemia. American Society of Pediatric Hematology/Oncology, April 2009
   a. Poster Presentation

6. Minson KA, **Prasad P**, Vear S, Borinstein S, Ho R, Domm J, Frangoul H. t(17;19) in Children with Acute Lymphocytic Leukemia: A Report of 3 Cases and a Review of the Literature. American Society of Pediatric Hematology/Oncology, April 2012, New Orleans, LA
   a. Poster Presentation

7. **Prasad P**, Hardy K, Zhang N, Armstrong G, Krull K. Psychological and Neurocognitive Outcomes in Survivors Diagnosed with Cancer as AYA: A Report from the Childhood Cancer Survivor Study. American Society of Pediatric Hematology/Oncology, April 2013, Miami, FL
   a. Poster Presentation

8. Shnorhavorian M, Harlan L, Wilder A, Keegan T, Lynch C, **Prasad P**, Cress R, Wu X, Hamilton A, Parsons H, Charlesworth S, Schwartz S. Fertility Preservation among Adolescent and Young Adult Cancer Survivors in the AYA HOPE Study. Society for Pediatric Urology, May 2013
   a. Poster Presentation

9. **Prasad P**, Hardy K, Zhang N, Armstrong G, Krull K. Psychological and Neurocognitive Outcomes in Survivors Diagnosed with Cancer as AYA: A Report from the Childhood Cancer Survivor. LSU Health Sciences Center, Department of Pediatrics Research Day, May 10, 2013, New Orleans, LA
   a. Winner of best poster in the Junior Faculty category
   b. Poster Presentation

10. **Prasad P**, Hardy K, Zhang N, Armstrong G, Krull K. Psychological and Neurocognitive Outcomes in Survivors Diagnosed with Cancer as AYA: A Report from the Childhood Cancer Survivor Study. Southern Society for Pediatric Research, February 20, 2014, New Orleans, LA
    a. Junior Faculty Travel Research Award

11. Leblanc D, Fletcher M, **Prasad P,** Simon L, Nuss D, Velez M, Successful Management of Invasive Fungal Sinusitis in Pediatric Leukemia Patient with Profound Neutropenia, Southern Society for Pediatric Research, February 20, 2014, New Orleans, LA
    a. Best Oral Presentation Winner

12. Raulji C, Glinky A, Gardner R, **Prasad P**. Survivorship Analysis for Adolescents and Young Adults with Cancer: A Single Institution Review. Southern Society for Pediatric Research, February 22, 2014, New Orleans, LA
    a. Oral Presentation

13. **Prasad P**, Landry I, Keegan T, Harlan L, Parsons H, Lynch C, Smith A, Hamilton A, Wu X. Healthcare Services Needs and Co-Morbidity Assessment among Adolescents and Young Adults with Cancer: The AYA Hope Study. LSU Health Sciences Center, Department of Pediatrics Research Day, May 30, 2014, New Orleans, LA
    a. Poster Presentation

14. Hui A, Raulji C*, **Prasad P**, Velez M. Retrospective Analysis of Pediatric Brain Tumors with Focus on Low Grade Glioma at Children's Hospital of New Orleans: 1994-2013. NCI Sponsored Summer Program at Louisiana Cancer Research Center, July 13, 2014, New Orleans, LA
    a. First place winner – poster presentation

15. **Prasad P**, Landry I, Keegan T, Harlan L, Parsons H, Lynch C, Smith A, Hamilton A, Wu X. Healthcare Services Needs and Co-Morbidity Assessment among Adolescents and Young Adults with Cancer: The AYA Hope Study.

Children's Oncology Group – Young Investigator Research, September 11, 2014, Dallas, TX
a. Oral Presentation

16. **Prasad P**, Landry I, Keegan T, Harlan L, Parsons H, Lynch C, Smith A, Hamilton A, Wu X. Healthcare Services Needs and Co-Morbidity Assessment among Adolescents and Young Adults with Cancer: The AYA Hope Study. American Society of Hematology, December 9, 2014, San Francisco, CA
    a. Oral Presentation

17. Trahan J, Reddy A, Gomez R, **Prasad P**, Jeyakumar A. Pediatric Thyroid Nodules. Single Institution Experience, September 27-30, 2015, Dallas, TX
    a. Oral Presentation

18. Menghani H*, **Prasad PK**. A Very Rare Hemoglobin Variant – Hemoglobin Abraham Lincoln with Hb A2 Prime Trait - A Case Report of an Unusual Waxing/Waning Course of Hemolytic Anemia with Elevated Hemoglobin F Level. Southern Society for Pediatric Research, February 2016, New Orleans, LA
    a. Oral Presentation

19. Wisner E, Kamireddy S, **Prasad P**, Wall L, P197 Macrophage activation syndrome as the initial presentation of C1q deficiency, Annual Scientific Meeting of the American College of Allergy, Asthma and Immunology, November 2016, San Francisco, CA
    a. Poster Presentation

20. Menghani H*, Toler, J, Manning D, **Prasad PK**, Vitamin B12 masquerading as Evan's syndrome. American Society of Pediatric Hematology/Oncology, April 2017, Montreal, CA
    a. Poster Presentation

21. Wilson H, Gardner, R**, Prasad PK**, Yu L, Velez M, 5 years of PNH experience in New Orleans. American Society of Pediatric Hematology/Oncology, April 2017, Montreal, CA
    a. Poster Presentation

*Mentored projects

<u>Invited Presentations</u>:

06/14/12 <u>Invited Speaker</u>, "Introduction to Late Effects," Annual Leukemia Lymphoma Society Meeting, Metairie, LA

03/07/13 <u>Invited Speaker</u>, "Fertility Considerations in Childhood Cancer Survivors," Leukemia Lymphoma Society Annual Meeting, Metairie, LA

09/19/14 Invited Speaker, "Late Effects in Hematological Blood Disorders," Blood Disorder Conference of the South, New Orleans, LA

11/22/14 Invited Speaker, "Autoimmune Cytopenias," 3rd Annual JMC LAPIN Forum and Symposium, New Orleans, LA

03/13/17 Invited Speaker, "Motivating the Learner," Grand Rounds, Louisiana State University Health Sciences Center / CHNOLA, New Orleans, LA

Editorial Activities:

2014 – present Member, Board of Editors, Annals of Pediatrics and Child Health
2015 – present Reviewer, Journal of Clinical Oncology
2016 – present Member, Board of Editors, Austin Pediatric Oncology

SERVICE ACTIVITIES

University/Institutional Service:

School of Medicine Committees

2013 – present Member; Committee on Woman's Affairs; LSU Health Sciences Center

2013 – present Member; Curriculum Evaluation Committee; LSU Health Sciences Center

2013 – present Member, Clinical Competency Committee for Pediatric Residents; LSU Health Sciences Center

2015 – present Member, Academy of Advanced Education, LSU Health Sciences Center

2016 – present Member, Recruitment and Retention Task Force for Pediatric Faculty, LSU Health Sciences Center

2016 – present Member; Core Curriculum Committee for Pediatric Subspecialty Fellows; LSU Health Sciences Center

2016 – present Leader; Pediatric Hematology/Oncology Fellowship Clinical Competency Committee; LSU Health Sciences Center

2016 – present Faculty Assembly Delegate; elected for 3-year term, LSU Health Sciences Center

2016 – present Member; Academy of Teaching Leadership Team, Faculty Development Team, LSU Health Sciences Center

Hospital Committees:

2011 – present Member, Cancer Committee, Children's Hospital of New Orleans, LA

2013 – present Member; Bioethics Committee, Children's Hospital of New Orleans, LA

2013 – present Member; Palliative Care Team Task force, Children's Hospital of New Orleans, LA

2014 – present Member, Ambulatory Clinic Physician's Council, Children's Hospital of New Orleans, LA, 2-year term

2015 – present Member, Patient Safety and Quality Committee for Medical Staff, Children's Hospital of New Orleans, LA, 2-year term

2017 – present Secretary, Medical Executive Committee, Children's Hospital of New Orleans, LA, 2-year term

National Committees:

2014 – present Member, AAP/ASPHO Policy Work Group

2014 – present Member, Children's Oncology Group (COG) Cancer Control and Supportive Care Committee Steering Member

2015 – present Member, AAP/ASPHO/NCI Pediatric Hematology/Oncology Terminology Task Force

2015 – present Member, Children's Oncology Group (COG) Late Effects Task Force

2016 – present Co-Leader and Mentee, Children's Oncology Group Late Effects Ocular Task Force

2016 – present Member, Children's Oncology Group Late Effects Bone and Mineral Disorder

2016 – present Liaison and Member, NCORP Administrative Committee for Children's Oncology Group, focus on Diversity

2017 – present Member, Program Development Committee, American Society of Pediatric Hematology Oncology

2017 – present Member, Research and Strategic Plans and Priorities Working Group, Association of Pediatric Program Directors

2017 – present Member, Thyroid Cancer Interest Group, American Society of Pediatric Hematology Oncology

2017 – present Member, Vascular Anomalies Interest Group, American Society of Pediatric Hematology Oncology

International Committees:

2016 – present Member, International Guideline Harmonization Group for Otoxicity in Childhood Cancer Survivors

2016 – present Member, International Guideline Harmonization Group for Metabolic Syndrome in Childhood Cancer Survivors

Clinical Service:

In-patient service activities

- Attending Physician, Pediatric Hematology/Oncology Service (hematology/oncology/bone marrow transplants and critically ill patients)
- 10-12 weeks a year
- Teaching medical students and residents on rounds

Clinic coverage

- Four ½ day clinics a week for general hematology and oncology
- ½ day of clinic every 2 weeks for Late Effects and Survivorship
- Share responsibilities of covering Children's Clinic in Baton Rouge, LA (at least four times a year)

Call

- On call once every 4-6 weeks (approximately 10 weeks a year)

Consultation Service

- Every 4-6 weeks for one week at a time, offering consultation services in Pediatric Hematology/Oncology for inpatient, outpatient, Emergency Room and referring physicians

Director of Late Effects

- Developed and implemented a late effects or survivorship clinic at LSU Health Sciences Center/Children's Hospital
- Organized a multi-disciplinary team to see complicated patients
- The only clinic dedicated to studying late effects in childhood cancer survivors in the state of Louisiana
- Developed database for late effects survivors; Enrolled in Passport for Care

Jeopardy System

- Every 4-5 weeks, for one week at a time, cover inpatient services as needed when census is greater than 20 patients in the pediatric hematology/oncology service

Administrative Responsibilities

2011 – present Director of Late Effects, Treatment After Cancer and Late Effects Clinic, LSU Health Sciences Center/Children's Hospital, New Orleans, LA

2015 – present Associate Program Director, Pediatric Hematology/Oncology Fellowship, LSU Health Sciences Center, New Orleans, LA

Community Service Activities:

08/2008 Honorary-Chairman, Annual Eve of Janus
- Honored by sorority for work in pediatric hematology/oncology
- Delta Delta Delta sorority

2012 Speaker, "Career in Medicine," Career Day, St. Martin's Episcopal School, Metairie, LA

2012 – present Volunteer, Unforgettable Prom, New Orleans, LA
